

Prejudice

In this one tiny chapter of the 66 books of the Bible, in this one tiny conversation, Jesus completely annihilates prejudice of every kind: religious prejudice, gender prejudice, and racial prejudice. There is a conversation back and forth between Jesus and The Woman-- just like the conversation that happens between God and us. This story shows what happens when a person (and all persons) meets Jesus:

- 1-We meet Him.
- 2-He engages us.
- 3-We are mesmerized by Him.
- 4-We learn about Him.
- 5-He saves us.
- 6-He frees us.
- 7-He heals us.
- 8-He excites us.
- 9-We share Him.
